

# Eagle Training Services NT

*Making training fun, easy and worthwhile for everyone!*

## Confined Space Entry

### Course Outline

Confined Space Entry training courses are designed to teach participants how to identify and work safely in a confined space. This training course is designed for people who work in or around confined spaces. Participants will learn to complete risk assessments and work permits for confined space operations. They will also learn to operate and identify a large range of safety equipment. This course can be tailored to suit your company's specific training requirements. Breathing Apparatus training can also be completed in conjunction with this training course. This course has a large focus on safety procedures and practical scenarios relevant to your company's confined space operations. An annual Confined Space refresher training course is also offered.

### Course Subjects

- Identifying confined spaces
- Australian Standards & relevant legislation explained
- Roles & responsibilities of management & employees
- Risk assessments & hierarchy of hazard controls
- Confined space work permits & entry procedures
- Worksite policy & procedures
- Lockout & tag out methods of isolation
- Atmospheric monitoring
- Tripods & fall protective equipment (If applicable)
- Practical entry into a confined space
- Safety procedures
- Firefighting procedures
- Emergency procedures
- Rescue from confined space (theory)
- Breathing apparatus (if applicable)

### Units of Competency

MSMPER200 Work in accordance with an issued permit  
MSMPER205 Enter confined space  
MSMPER300 Issue work permits  
RIIRIS201D Conduct local risk control

### Course Assessment

Written & practical assessment.

### Course Delivery & Duration

Classes commence at 8:30am and finish at 4:00pm on both days. All students are required to be present 15 minutes before course commencement time. Late arrivals may be refused from the course as a failure to attend.

Training occurs at Eagle Training Services NT training facilities located in Darwin & Alice Springs. Participants undertake the course in comfortable, air-conditioned classrooms with the latest IT and audiovisual capabilities. Students are supported through the provision of high quality learning materials and resources.

### Welfare and Support Services

Eagle Training Services NT provides welfare and support services within its professional capacity. Clients should identify existing needs prior to enrolment so that appropriate arrangements are made. Where additional support is required, the client will be referred to a specialist agency to access appropriate support. Eagle Training Services NT has a documented policy regarding access and equity.

### Course Fees

\$650 per student. A \$100 deposit is required upon enrolment to secure a course placement. The remaining course fee is to be paid in full prior to course completion. Course fee is fully refundable only if the course is cancelled. This price includes all study manuals and materials.

### Confirmation of Enrolment

A student's position on the course will be confirmed upon payment of a course deposit fee or the provision of an authorised purchase order. Positions are limited so confirmed enrolments only will be able to attend. For cancellations/refunds, a minimum of 3 business days notice must be provided to Eagle Training Services NT prior to the commencement of the scheduled course to enable re-allocation of your place to another participant, otherwise the full course fee will be payable. Replacements are allowed provided they have Eagle Training Services NT approval before the start of training and course prerequisites are met.

### Location

Darwin or Alice Springs
