

Eagle Training Services NT

Making training fun, easy and worthwhile for everyone!

Fire Extinguisher, Fire Hose Reel & Fire Blanket Training MSMWHS212

Course Outline

To prevent injury and reduce fire damage, all employees should be trained in the safe use of fire extinguishers, fire hose reels and fire blankets. This training course includes a theory and practical component to ensure that your employees can safely handle workplace emergencies.

To ensure maximum benefit, this training course should be conducted with Fire Warden and Evacuation Training. If required, a Fire Safety Trainer can visit your workplace to determine your fire safety equipment and training needs.

Course Subjects

- Elements of combustion
- Raising the alarm
- Fire safety and evacuation
- Classes of fire
- Types of fire extinguishers
- Safety procedures when fighting fires
- How to use a fire extinguisher, fire hose reel and fire blanket
- Fire fighting tactics

Participants will gain hands-on experience fighting a real fire with fire fighting equipment. They will also be instructed in correct fire fighting tactics and safety procedures.

Course Delivery & Duration

All students are required to be present 15 minutes before course commencement time. Late arrivals may be refused from the course as a failure to attend.

Training occurs at Eagle Training Services NT training facilities located in Darwin & Alice Springs. Participants undertake the course in comfortable, air-conditioned classrooms with the latest IT and audiovisual capabilities. Students are supported through the provision of high quality learning materials and resources.

Course Assessment

Written & practical assessment.

Welfare and Support Services

Eagle Training Services NT provides welfare and support services within its professional capacity. Clients should identify existing needs prior to enrolment so that appropriate arrangements are made. Where additional support is required, the client will be referred to a specialist agency to access appropriate support. Eagle Training Services NT has a documented policy regarding access and equity.

Course Fees

\$200 per student. A \$100 deposit is required upon enrolment to secure a course placement. The remaining course fee is to be paid in full prior to course completion. Course fee is fully refundable only if the course is cancelled. This price includes all study manuals and materials.

Confirmation of Enrolment

A student's position on the course will be confirmed upon payment of a course deposit fee or the provision of an authorised purchase order. Positions are limited so confirmed enrolments only will be able to attend.

For cancellations/refunds, a minimum of 3 business days notice must be provided to Eagle Training Services NT prior to the commencement of the scheduled course to enable re-allocation of your place to another participant, otherwise the full course fee will be payable. Replacements are allowed provided they have Eagle Training Services NT approval before the start of training and course prerequisites are met.

Location

Darwin or Alice Springs

Please Note

Fire Warden Training can be combined with Fire Extinguisher Training and completed in 1 day for a cost of \$350 per person.
