*Making training fun, easy and worthwhile for everyone!*

## Fire Warden and Evacuation Training PUAWER005B

### Course Outline

To prevent injury upon the need to safely evacuate a building, regular evacuation training is required. As stated in the Building Fire Safety Regulation 1991 it is a requirement by law that all workplaces:

'Are fitted with adequate fire fighting equipment' and 'have annual fire instruction and evacuation training'.

This training course covers evacuation procedures in different types of emergencies. Fire safety trainers can also be booked to act as observers / instructors during building evacuation drills.

### Course Subjects

- Training requirements
- Investigating the fire / alarm / incident
- Raising the alarm
- Emergencies that may require evacuation
- Firefighting safety procedures
- Bomb threat procedures
- Building fire safety
- Fire warden identification
- Fire wardens procedures & responsibilities
- Building fire alarms & communications systems
- Developing evacuation plans & procedures
- Emergency co-ordination
- Human behaviour in emergencies
- Post-evacuation activities

Students will gain hands-on experience as our instructors conduct building evacuation drills. Practical Drills can be conducted using clients Evacuation Systems or Eagle Training Services Personal Radios.

### Course Assessment

Verbal & practical assessment

### Course Fees

\$200 per student. A \$100 deposit is required upon enrolment to secure a course placement. The remaining course fee is to be paid in full prior to course completion. Course fee is fully refundable only if course is cancelled. This price includes all study manuals and materials.

### Course Delivery & Duration

Classes commence at 8:30am and finish at 12:30pm. All students are required to be present 15 minutes before course commencement time. Late arrivals may be refused from the course as a failure to attend.

Training occurs at Eagle Training Services NT training facilities located in Darwin & Alice Springs. Participants undertake the course in comfortable, air-conditioned classrooms with the latest IT and audiovisual capabilities. Students are supported through the provision of high quality learning materials and resources.

### Welfare and Support Services

Eagle Training Services NT provides welfare and support services within its professional capacity. Clients should identify existing needs prior to enrolment so that appropriate arrangements are made. Where additional support is required, the client will be referred to a specialist agency to access appropriate support. Eagle Training Services NT has a documented policy regarding access and equity.

### Confirmation of Enrolment

A student's position on the course will be confirmed upon payment of a course deposit fee or the provision of an authorised purchase order. Positions are limited so confirmed enrolments only will be able to attend.

For cancellations/refunds, a minimum of 3 business days notice must be provided to Eagle Training Services NT prior to the commencement of the scheduled course to enable re-allocation of your place to another participant, otherwise the full course fee will be payable. Replacements are allowed provided they have Eagle Training Services NT approval before the start of training and course prerequisites are met.

### Location

Darwin and Alice Springs

### Please Note

*Fire Warden Training can be combined with Fire Extinguisher Training and completed in 1 day for a cost of \$350 per person.*
