

Eagle Training Services NT

Making training fun, easy and worthwhile for everyone!

Safe Working at Height RIIWHS204D

Course Outline

Our Safe Working at Height training course is designed for persons who are required to work at heights or in the vicinity of drops in excess of 2 meters. Participants will develop skills to select height safety equipment and apply it to specific tasks, whilst working in accordance with Height Safety Regulations, Australian Standards and relevant codes of practice.

Participants will have an understanding of risk assessment procedures and permits to work at height. They will also undergo practical instruction in the correct use of height safety equipment. This course can be tailored to suit your company's specific requirements.

Course Subjects

- Definition of working at height
- WH&S legislation, height safety regulations, Codes of Practice & Australian Standards
- Correct use of height safety equipment
- Scaffolds
- Elevated working platforms
- Case studies from industry
- Risk assessment & hierarchy of hazard control
- Management & employee responsibilities
- Fall arrest devices
- Safe ladder techniques
- Equipment inspection & maintenance requirements
- Setting up a fall restraint system
- Emergency procedures
- Suspension trauma
- Developing site procedures & safe work methods

Practical scenarios will be completed which will be based upon the individual needs of your workplace, e.g. restraint systems, fall-arrest systems, roof systems etc.

Course Assessment

Written & practical assessment

Course Fees

\$360 per student. A \$100 deposit is required upon enrolment to secure a course placement. The remaining course fee is to be paid in full prior to course completion. Course fee is fully refundable only if the course is cancelled. This price includes all study manuals and materials.

Course Delivery & Duration

1.5 days. Day one classes commence at 8:30am and finish at 4:30pm. Day two classes commence at 8:30am and finish at 1:30pm. All students are required to be present 15 minutes before course commencement time. Late arrivals may be refused from the course as a failure to attend.

Training occurs at Eagle Training Services NT training facilities located in Darwin & Alice Springs. Participants undertake the course in comfortable, air-conditioned classrooms with the latest IT and audio-visual capabilities. Students are supported through the provision of high quality learning materials and resources.

Welfare and Support Services

Eagle Training Services NT provides welfare and support services within its professional capacity. Clients should identify existing needs prior to enrolment so that appropriate arrangements are made. Where additional support is required, the client will be referred to a specialist agency to access appropriate support. Eagle Training Services NT has a documented policy regarding access and equity.

Confirmation of Enrolment

A student's position on the course will be confirmed upon payment of a course deposit fee or the provision of an authorised purchase order. Positions are limited so confirmed enrolments only will be able to attend.

For cancellations/refunds, a minimum of 3 business days notice must be provided to Eagle Training Services NT prior to the commencement of the scheduled course to enable re-allocation of your place to another participant, otherwise the full course fee will be payable.

Replacements are allowed provided they have Eagle Training Services NT approval before the start of training and course prerequisites are met.
